

FORGIVENESS IS THE KEY TO ETERNAL LIFE

It is your forgiveness that will bring the world of darkness to the light. Through your forgiveness does the truth about yourself return to your memory. Therefore, in your forgiveness lies your salvation.

Open your eyes today and look upon a happy world of safety and of peace. Forgiveness is the means by which it comes to take the place of hell. In quietness it rises up to greet your open eyes, and fill your heart with deep tranquility as ancient truths, forever newly born, arise in your awareness. What you will remember then can never be described. Yet your forgiveness offers it to you.

A loving message of sharing from Teachers around the world.

A COURSE IN MIRACLES INTERNATIONAL
invites you to

A MIRACLE FESTIVAL

A Worldwide Gathering In
EDINBURGH, SCOTLAND
April 27 through April 29, 2007

“FORGIVENESS IS THE KEY TO HAPPINESS”

**We Are Celebrating Our Escape From This Place Of
Darkness And Death To The Light Of Eternal Life**

We have discovered through the unworldly masterpiece that is “A Course In Miracles,” a Mind Training that is leading to the very real physical, mental and emotional transformation of ourselves, and the recognition that each of us is a whole part of the eternally creating source of all reality.

**Our host for this event will be The Master Teacher
along with Teachers of God from around the world.**

We will share the memory of our awakening and realization of Christ Mind and demonstrate the power of all minds to undergo a complete reformulation that recognizes the joy and happiness that is the eternal life we share with God.

**Now Is The Time... Here Is The Place
All Are Invited... Come Just As You Are**

The sole purpose of this gathering is to re-establish communication between this world and the Universe that is apparently outside and all around us. There is no concern here with any religious doctrine or political or social philosophies of any kind.

QUANTUM MINDFULNESS

IS IT POSSIBLE? INDEED IT IS!

Is it possible to change your mind so completely about yourself and the Universe you seem to inhabit so as to alter in a quantum instant the entirety of your apparent space time location? The answer is Yes! How? Through the Mind Training of *A Course In Miracles*. At last, a long awaited systematic way for you to enter a new more rapidly alternating continuum of time that is all around us. And in corresponding conversion of, and through, the power of your thoughts cognify a brand new “here and now.” An instant experience of the joy and happiness of your escape from the imprisonment of dark light that is the location in space time of this world of fear and death.

THE POWER OF DECISION IS OUR OWN

No one can suffer loss unless it be his own decision. No one suffers pain except his choice elects this state for him. No one can grieve nor fear nor think him sick unless these are the outcomes that he wants. And no one dies without his own consent. Nothing occurs but represents your wish, and nothing is omitted that you choose. Here is your world, complete in all details. Here is its whole reality for you. And it is only here salvation is.

the underlying recognition of perfect equality of giver and receiver on which the miracle rests.

◆ Miracles occur naturally as expressions of love. The real miracle is the Love that inspires them. In this sense everything that comes from love is a miracle.

◆ Miracles are natural signs of forgiveness. Through miracles you accept God’s forgiveness by extending it to others.

◆ The miracle substitutes for learning that might have taken thousands of years. It does so by

A COURSE IN MIRACLES

We are teaching a new manner of communication between our separate conceptual thoughts that better utilizes the power of light energy that is our original and continuing source of reality. Every idea you have ever had or will ever have about yourself or anything else is still in your mind. Your mind is all the space and time that is now or will ever be. Your thoughts about beginnings and endings, of life and death, are only wholly contained momentary re-enactments of the beginning and ending of all of time. You are reliving a memory of an occurrence that was over and gone a very long time ago.

*Thou shalt love the Lord thy God with all thy heart,
and with all thy soul, and with all thy mind.
This is the first and great commandment.
And the second is like unto it,
Thou shalt love thy neighbour as thyself.*

THE PURPOSE OF THIS ADVENTURE IS TO HEAL

- ◆ We will demonstrate through miracles the healing power of our minds by the grace of eternal love that is the Universal Mind of God.
- ◆ We will demonstrate through miraculous occurrence the total possibility of the healing and regeneration of our bodies through the admission and recognition of our perfection in the Mind of God.
- ◆ It will be a time and place of the rejuvenation of our minds and bodies that will give brand new bright and joyful meaning and purpose to the moments that remain of our mortal existence.
- ◆ It will be a place of spiritual awakening and rebirth where we may share together the miraculous healing power of the courageously simple act of total forgiveness that is the key to eternal life.
- ◆ We heal with the power of Christ Mind through direct application of the divine instructions of Jesus Christ contained in the New Testament of the Holy Bible.
- ◆ Whatever diagnosis of disease you possess or labor under in body or mind, we welcome you to this Festival. We will discover together an abundant supply of a “totally loving and irresistibly powerful certainty of mind” that our miraculous healings will happen. And they will! And what a happening it will be, for it will change our lives forever.
