**We Meet At Last Together At The
End Of This Space Time Episode...**

**Our solutions at this event will be particularly focused
and directed to a celebration of this time and place
where the miraculous event will occur.**

*Come and experience with Master Teacher of A Course
In Miracles, an inevitable decision of discovering our
journey without distance in the space of an instant of Reality.*

AN ANCIENT PROMISE WILL BE KEPT

*An exit portal from this infinitely small maze
of space and time has been opened.*

Remember, time lasted but an instant in your mind, with no effect upon eternity. And so is all time past, and everything exactly as it was before the way to nothingness was made. The tiny tick of time in which the first mistake was made, and all of them within that one mistake, held also the Correction for that one, and all of them that came within the first. And in that tiny instant time was gone, for that was all it ever was. What God gave answer to is answered and is gone.

A Course In Miracles
Video Encounters
with Master Teacher

The videos found in this film festival are an expression of the real alternative. They provide a miraculous introduction to the dynamics of that transformative process of Illumination in which you evolve "from a limited fearful perceptual-mind consciousness to a wholly creative fully-endowed purposeful powerful reality in the declaration that you are as God created you." Transmitting the illuminated energy of Resurrected Mind, the Master Teacher of A Course In Miracles wakes the viewer's memory of singular awareness. Each video is an immediate experience of healing. The recognition of the light factor in these videos can only occur in you. It is the transitional passage from time to eternity. We trust you will try to allow your viewing to be your own personal adventure.

*The Master Teacher is a Teacher of God through illumination
of mind and body that is the fulfillment of the
mission of A Course In Miracles.*

*He constitutes a continuing union with the mind of
Jesus of Nazareth through the Holy Spirit.*

*As a Teacher of God, he demonstrates the passion of rebirth that
is the goal of all of us in the mind training of the Course.*
